Series B1 & Series B3 bonds have become compulsorily convertible upon maturity date i.e. October 27, 2022. The Company is in the process of converting Series B1 and Series B3 bonds into equity shares of the Company and awaiting details from the respective bondholders for crediting equity shares to their respective accounts. Series B2 Bonds are redeemable and have matured on October 27, 2022. However, due to various developments adversely impacting the Company, the Company is not in position to redeem Series B2 Bonds on its maturity, unless and until implementation of Resolution Plan by its secured lenders either under the aegis of Insolvency & Bankruptcy Code or otherwise takes place.

3. The Hon'ble Supreme Court of India held that telecom tower is exigible to Property Tax and States can levy property tax on the same. The matter being still sub judice with respect of the component of Property Tax, non-receipt of demand notices for majority of the towers of the Company and the Company's right to recover property tax from certain customers, the Company is unable to quantify actual property tax amount payable. The provision will be considered as and when the matter is resolved. In respect of the above, the auditor's have issued modified reports on the results for the quarter and half year ended September 30, 2022 and also on the financial statements of earlier years.

4. IDBI Trusteeship Services Limited ("ITSL"), Security Trustee at the behest of Edelweiss Asset Reconstruction Company Limited ("EARC") lenders has, without the consent of and information to the Company, till date have debited from the TRA account a sum of ₹ 85,100 Lakhs (₹ 21,500 Lakhs in Current Year and ₹ 63,600 Lakhs previous Year). Additionally, during the previous quarter, ITSL has realized ₹ 2,010 lakhs (previous year ₹ 1,391 Lakhs) by way of sale of 1,79,80,693 equity shares (previous year 1,05,19,307 equity shares) of GTL Limited, pledged by Promoter Group Company. In view of the above, the interest on borrowings has been provided after adjusting the aforesaid amounts in principal.

5. One of the remaining secured lenders, who didn't assign its debt to EARC, allegedly claiming ₹ 64,638 Lakhs has filed proceedings before the National Company Law Tribunal (the "NCLT") under Insolvency and Bankruptcy Code, 2016 ("IBC") which is pending for admission.

6. Shut down/exit of 14 telecom customers resulted into abandonment of more than 14,000 towers of the Company by them, making such towers unoccupied and loss of revenue towards the Infrastructure Provisioning Fees / Rental on such towers in respect of which the Company continues to pursue contractual claims of approx. ₹ 15,32,623 Lakhs from various customers. In view of above, the rental to landlords, taxes & other dues related to unoccupied towers remained unpaid, many of which are pass through payments for the Company. During the quarter and half year ended September 30, 2022, disgruntled landlords/Unknown miscreants dismantled 371 sites and 558 sites respectively (259 sites during the year ended March 31, 2022) out of the above unoccupied sites. This has resulted into a loss (net) of ₹ 8,529 Lakhs and ₹ 12,148 Lakhs for the quarter and half Year ended September 30, 2022 respectively (₹ 3,181 Lakhs for year ended March 31, 2022) which is included in other expenses in the above results. The Company continues to pursue its insurance claims and appropriate actions against the landlords/unknown miscreants including intimation to police.

7. The Company lost substantial number of tenancies in the last few years, due to various events which were beyond management control, such as shutdown/exit of 14 telecom customers including Aircel Group, Reliance Communications and Tata Tele, Business combination of Vodafone & Idea, Telenor & Airtel, etc. These developments have resulted in reduction in the revenue and earnings, Cash losses, erosion of Company's net worth, provision for impairment of property, plant and equipment. Considering the above events and pending debt restructuring, the principal and interest have become overdue. Further the Company has received notices of recall of loans from EARC and IDBI Bank claiming alleged default in terms of Master Restructuring Agreement dated December 31, 2011. The Company has strongly refuted the claims and responded to such notices appropriately. The above events, including the Hon'ble Supreme Court's decision dated December 6, 2021 dismissing all the proceedings filed by the Company, compelling the Company to wait for directions from the lenders/Courts on the way forward, which may include pursuing of the proceedings before the NCLT under IBC, cast significant doubt on the Company's ability to continue as a Going Concern. However, considering the revival package approved by the Government of India for Telecom Sector, hike in mobile call & data tariffs by telecom operators and successful conclusion of 5G spectrum auction, mapping of sites for 5G rollout by the operators, the Company is optimistic about increased demand for its towers and thereby increase in the revenue and EBITDA levels. In addition to the above, various resource optimization initiatives undertaken by the Company can lead to stabilization and revival. The Company does not have any intention to stop its operations or liquidate its assets. Therefore, the Company continues to prepare the books of account on Going Concern basis. Further, the Company also continues to pursue contractual claims of approx. ₹ 15,32,623 Lakhs from various customers in respect of premature exits by them in the lock in period.

8. Exceptional items for the year ended March 31, 2022 represents the provision for impairment in respect of Property, Plant & Equipment. The Company will assess the impairment if any, at the year end.

9. Mr. Milind Naik, Whole Time Director (WTD) of the Company resigned wef from September 22nd 2022. The requisite approvals towards managerial remuneration of ₹ 241.96 Lakhs paid to him during his tenure as WTD are still awaited from the lenders.

US GEN ESTIMATES 200K MILITARY CASUALTIES

Washington: General Mark Milley, Chairman of the US Joint Chiefs of Staff, has estimated that around 100,000 Russian and 100,000 Ukrainian soldiers have been killed or injured since Moscow waged its ongoing war against Kiev on Feb 24.

These are the highest-ever estimates offered by a Western official.

General Milley, who serves as U.S. President Joe Biden's most senior military adviser, added that for any talks to be successful, both Russia and Ukraine would have to reach a "mutual recognition" that a wartime victory "is maybe not achievable through military means, and therefore you need to turn to other means".

Sean Penn gifts an Oscar to Zelensky

Kyiv: Ukrainian President Volodymyr Zelensky was taken aback upon receiving the iconic Oscar statuette from two-time Academy Award-winning Hollywood actor Sean Penn.

On his third visit to the country ravaged by an ongoing Russian invasion, Penn extended a humanitarian gesture by offering one of his two Oscar statuettes.

According to New York Post, he asked Mr Zelensky to keep it with him till the war subsides with a 'hopeful Ukrainian victory'.

Zelensky took to Instagram to share a video where Penn could be seen offering him his award. Zelensky could be seen declining the acceptance. However, he did say that the award will stay in the war-torn country as a symbol of faith in the victory of Ukraine.

Instead, Tuesday night's disappointing results for the GOP are raising new questions about Trump's appeal and the future of a party that has fully embraced him, seemingly at its peril...

He endorsed more than 330 candidates in races up and down the ballot, often elevating inexperienced and deeply flawed candidates. He revelled in their primary victories.
