NEW DELHI: Defence minister Rajnath Singh's flight was among 11 flights which have been diverted to Agra due to bad weather in the national capital on Friday, Sources said. According to sources, the defence minister was heading back to Delhi after attending a function at Shree Swaminarayan Temple in Gujarat's Vadodara where he addressed a public gathering.

CM to push...

During the meeting with officials, the CM also inquired about the status of adopting Anganwadi centres in the districts. The Chief Minister had earlier appealed to people to come forward to adopt Anganwadi centres as part of their social responsibility. (With input from news agency)

### SC wants more...

Senior Advocate Huzefa Ahmadi, appearing for the Muslim petitioners, argued before the top court that the orders passed from beginning in the case are capable of creating great public mischief. Frowning at the selective leaks of the sealed report, the Apex Court said: "We are here in a joint mission to preserve a sense of unification in the country. Once a commission report is there, there cannot be selective leaks. Do not leak things to the press. Only judge opens the report." It suggested that the report be opened only by the district judge. The Supreme Court said it will examine everything. "Depending on the outcome before Varanasi court, we will decide the future course of action."

### Chhindwara on top...

The performance based ranking has been prepared keeping in mind the programmes and activities conducted in the "Samagra Shiksha" Yojana as well as the learning outcomes of the students, capacity building of teachers, resources available in the schools and performance of the schools in various assessments etc., he said.

### AI plane engine...

The pilots had received a warning about high exhaust gas temperatures on one of the engines just minutes after the aircraft's departure from the Chhatrapati Shivaji International Airport at 9.43 AM. With the engine shutting down, the pilot returned to Mumbai airport at 10.10 AM. The passengers were later flown to Bengaluru after a change of aircraft. The A320 neo planes of Air India have CFM's Leap engines and unlike IndiGo and GoAir's Pratt and Whitney A320neo engines, these have not reported technical problems in the past, an Air India official told the TV channel. However, since their induction in 2016, the Pratt and Whitney engines have faced serious issues such as combustion chamber distress, engine vibration and low-pressure turbine, which have led to many in-flight engine shutdown incidents, the NDTV report adds. When asked about the incident, Air India spokesperson said: "Air India accords top priority to safety and our crew is well adept at handling these situations. Our Engineering and Maintenance teams had immediately started looking into the issue."

### Hyd cops to...

The extra judicial killings were led by then Cyberabad Police Commissioner VC Sajjanar on December 6., 2019. The CJI rejected a plea by senior advocate Shyam Divan appearing for the Telangana government, to keep the report confidential. When Divan still insisted, the CJI asked what was confidential about a public hearing? He said: "If there's a matter regarding grave security etc we will consider, [but] this is an encounter case. The committee was appointed and has submitted a report There's no question of our further examining the mat ter, let the HC hear the matter. Ultimately some end has to be there. Without looking at the report, you can't make submissions right?" CJI NV Ramana has been averse to the practice of sealed covers. In this practice, the Supreme Court and sometimes lower courts accept information from government agencies in sealed envelopes which can only be accessed by the judges.

### Sidhu, at home...

Even though Sidhu had reached his Patiala residence on Thursday night, he had sought more time from the Supreme Court to surrender, saying he had some medical issues which he needed to address. However, the apex court asked him to file a formal application before the chief justice's court. On Thursday, the top court had enhanced Sidhu's punishment to one-year rigorous imprisonment, four years after it let him off with a fine of Rs 1,000. (A 65-year-old man had died after an altercation with Sidhu in case of road rage.) Scotching speculation that Sidhu will be treated like royalty in jail, since Pa tiala is his home-town, Punjab Jail Minister Harjot Singh Bains said that his government had already stamped out VIP culture in jail; now, all inmates live in similar conditions and are offered the same facilities. `It would be the same for Navjot Singh Sidhu or anyone

else", he told the media. According to jail manual, the inmates' day begins at 5.30 am; they go to work after breakfast at 8.30 am and are relieved at 5.30 pm. This could entail working for roughly eight hours on a farm or in a factory. If an inmate is lucky, he could land in the prison library. They get back to their barracks by 7 pm after dinner. Sidhu would also have to abide by the jail dress code and don white clothes mandatory for convicts

PUNJAB CONG BACKS SIDHU: Meanwhile, Punjab Congress president Amarinder Singh Raja Warring and Congress legislature party leader Partap Singh Bajwa took to Twitter in support of Sidhu. Warring, who succeeded Sidhu as the state Congress chief, said he stood by his senior colleague and his family. "With due respect for the verdict of the Supreme Court, I stand by my senior colleague @sherryontopp Ji and his family at this difficult hour," he tweeted. Likewise, Bajwa also said the Punjab Congress would stand firmly behind Sidhu and his family.

### **SWORN ENEMIES IN...**

Even though the two fought against each other in the Amritsar (east) Assembly seat, both were trounced by a first-timer AAP candidate. However, undertrials and convicts have barracks in separate sections on the prison campus. While Majithia is an undertrial, Sidhu is a convict.

### \$250K to hush.

"It was during one such massage in a private cabin on Musk'ss Gulfstream G650ER, she told the friend, that Musk propositioned her," the report said. Musk told Insider that he needs more time to respond, saying there is "a lot more to this story." "If I were inclined to engage in sexual harassment, this is unlikely to be the first time in my entire 30-year career that it comes to light," Musk said in an email, calling the story a "politically motivated hit piece." The attendant, who rides horses, declined and continued with the massage without engaging in any sexual conduct. The attendant "is not for sale", the friend's declaration said. "She is not going to perform sexual favours for money or gifts." The incident reportedly occurred during a flight to London. "She figured things could just go back to normal and she would pretend like nothing happened. However, she started to feel as if she was receiving some sort of retaliation where her shifts were cut back, and she was starting to feel really stressed," the victim's friend told Insider. Eventually, the declaration says, the attendant felt "she was being pushed out and punished for refusing to prostitute herself." SpaceX places a special emphasis on massages, going so far as to employ in-house massage therapists as a perk for executives.

# Visa scam: Karti Chidambaram directed to join investigation

STAFF REPORTER / New Delhi

In connection with an alleged visa scam case, Congress MP Karti Chidambaram on Friday moved an anticipatory bail application in a Delhi Court.
